PreSun Ultra – SPF 35 holds in place on the skin, and saves skin perspiration. Visible Application allows showing where and how much PreSun Ultra is applied. This is added to prevent missing spots that may cause sunburns.

Octinoxate and Octisalate are high protective sunscreens, enhanced with Titanium Dioxide, the superior sun blocker.

Green Tea absorbs quickly and moisturizes your skin. In addition, Apple extract has a potent antioxidant that protects skin against free radical damage and therefore against premature skin aging. This combination of sunscreens and herbal extracts provide your skin with protection & hydration every day.

What is special about PreSun Ultra?

- Enriched with Antioxidants
- Waterproof
- Moisturizing
- Hypoallergenic
- Broad spectrum UVA/UVB protection
- Non-comedogenic

Ingredients: Purified water, Octocrylene, Octinoxate, Octisalate, Dicaprylyl Maleate, Stearic Acid, Propionic Acid, Avena Sativa, Titanium Dioxide, Propylene Glycol, Hydrogenated Polyisobutene, Cetyl Alcohol, Diazolidinyl Urea, Methylparaben, Propylparaben, Aloe Vera Gel, Green Tea, Yucca Vera, Apple Extract.

Directions: Make sure the skin is cool and dry. Apply PreSun Ultra evenly 20-30 minutes before sun exposure. Ensure complete coverage. Start at the center and spread outward till the whiteness is barely visible. Move to the next area and repeat the process. Be thorough, a missed spot may cause sunburn. Reapplication is not required, unless after prolonged swimming, perspiration or towel drying. It is recommended to use this product daily.
To reduce risk of skin damage: Minimize sun exposure from 10am to 4pm. Use sunscreen daily, year-round, even on cloudy days. Seek shade. Wear protective gear. Keep babies out of the sun. Use extra caution near water.

Warnings:
- For external use only
- Keep out of reach of children.
- If a rash or irritation develops discontinue use, and tell your doctor.
- Avoid contact with eyes.

Storage Conditions: Store below 30 °C away from sun.

Presentation: 40 g cream Tube.
